Dear Mr. Oropallo, et al

This is to acknowledge receipt of your email communication requesting EPA's assistance with regard to the upcoming Town Board Meeting that will be held to discuss the Club's permit application. Specifically, you've requested EPA's assistance to address the concerns of some residents opposed to the Town granting the Club's permit to relocate the shooting ranges. You also indicated that you would be available to schedule a conference call to discuss the matter in greater detail with EPA.

I will discuss this my program clients and management this afternoon. I will get back to you at my earliest opportunity.

Sincerely,

Melva J. Hayden

Good Morning Ms. Hayden,

I write to ask for any assistance the EPA can provide to the Lansing Club. The Club has a meeting next week at the Town of Lansing regarding their proposal to relocate the shooting fields in order to mitigate any impacts. It is my understanding there will be opposition to the relocation, even though it will be the best for the environment. If there is anything you or Mr Guster can do to assist in showing that the Club's proposal is the preferred option, it would be appreciated.

Thank you and please let me know if you would like to discuss this.

Mike.
